La Piedad History

La Piedad de Cavadas is a city located in the north-west of the Mexican State of Michoacan, bordering Jalisco and Guanajuato.

The pictures in the front of the menu illustrates this beautiful town's center with its beautiful kiosco (bandstand) built with quarried stone, the gateways, and the Señor de la Piedad church, which boasts perhaps the biggest dome in the country.

This city is famous because of its colorful handcrafted shawls called rebozos.

May our cuisine inspire your palatte and help you daydream of our beautiful city... La Piedad
Buen Provecho.
